YOUR FORTUNE IS WRITTEN IN THE STARS

The Turtle® AMR System offers the most reliable effective automatic meter reading system in the universe for your most costly and difficult meter reading needs. Turtle System's market proven reliability at over 350 utilities will reduce your annual operating cost—blasting profits out of this world.

The Turtle System offers unparalleled customer support and product warranty to ensure each unit operates at peak performance. Our AMR system is the proven solution for reducing line loss and maintaining power quality, gathering customer-by-customer data, reaching hard to read meters, identifying faulty equipment, and balancing loads.

The
Turtle
System
from Hunt Technologies, Inc.

The Winning Choice™ in AMR.

AIM FOR THE STARS WITH A GALAXY OF BENEFITS.

- ★ Easy to Use
- ★ Reduces Costs
- ★ Scalable
- ★ Proven
- ★ Reliable

Set your sights on higher profits, navigate your way to the Turtle AMR System.
